

Mission Committee - Salary Supplement Grant Program
Application for Year 2 Funding

Please submit by June 1, 2023 Email: salariesupplement@chicgopresbytery.org

Congratulations on your progress thus far through Phase 1 of the Salary Supplement program, especially as we all learned to make adjustments and accommodations as a result of the global pandemic.

As the Mission Committee looks toward funding Year 2 (2022) for your congregation, we are hoping you will be able to provide some specific information here detailing your experience with the program thus far, and your plans as you look toward Year 2.

Please consider the following questions as you evaluate your congregation's experience and respond to each as best you can in 100 words or less.

1. Please comment on the following components of the program thus far:
 - a. Presbytery Orientation
 - b. New Beginnings Assessment
 - c. New Beginnings Appreciative Inquiry
 - d. New Beginnings Leadership Weekend
2. Please comment on your congregation's experience with the house meetings. Were there any surprises?
3. Where are you in the consideration and/or development of your congregation's future story?
4. How has the addition of the Salary Supplement funding impacted your congregation's finances? Are there specific ways in which your congregation has benefited from the funding alone?
5. Have there been (or do you anticipate) any significant changes in staffing, your facility or your congregation?
6. What are your expectations for Year 2 of Salary Supplement programming?
7. What would be helpful to you and to your congregation during this next year of programming?

8. Please share a story that you feel best demonstrates the impact that participation in the Salary Supplement program has had on your congregation. Is there a specific instance where your congregation's ministry has been empowered in the past year as a result of the program?

Thank you for your thoughtful responses. We look forward to continuing the journey with you and your congregation in Year 2 of the program!
